## 1. Ceremony and photography opportunity

We hold ceremonies on large lawn space by the resort's pond. This space can seat up to 80 people (Conditions Apply). There is room for a quartet although the natural music that the wildlife in the resort creates also works well. After the ceremony the opportunity to take advantage of the beautiful gardens for photos is also available. Plus the beach is just a two-minute walk away. The cost for the use of the grounds is \$160.00. To hire chairs the cost is \$45.00 per 20 chairs. You will need to organize your own celebrant & music for your ceremony

## 2. Reception

Our function room is versatile in the differing options to hold a wedding reception. The maximum seating is 60 for a sit down dinner, 50 for a buffet option and 70 for a cocktail reception. The cost for the holding your reception with us is \$395.00. This includes advice and help from our Wedding Consultant, tables and chairs, linen, crockery, cutlery, & glasses, tea & coffee station, cutting & plating of the cake for guests and use of our stereo if required.

## 3. Pre Dinner Drinks by the Pond

Our pond provides a beautiful backdrop for your guests between the ceremony and reception with sitting and standing room for around 40 people. There is a canapé menu with a great array of selections as well as beverage services.
