

Naturally the place to stay

Southern Great Barrier Reef

Mobility Impaired Information

Please contact us if you have any concerns, we are happy to help in any way we can

Villas:

- We have 2 Villas with Ramp access to Villa Decks. All other Villas have 3 steps up to the deck
- All Villas have Step in Bath Showers
- There are no handrails or guide rails in the Villas
- The Toilet and Shower are separate rooms and are quite small for wheel chair access

Restaurant:

- The restaurant is on the ground floor and accessible by wheelchairs.
- There are no bathroom amenities that are appropriate for wheelchair access
- There are no handrails or guide rails in the bathroom amenities

Pool Area:

- Is accessible by wheelchair
- There are no bathroom amenities that are appropriate for wheelchair access
- There are no handrails or guide rails in the bathroom amenities

Function Room:

- Located on the second floor of our reception building and is only accessible via flights of stairs
- There are no bathroom amenities that are appropriate for wheelchair access
- There are no handrails or guide rails in the bathroom amenities

Resort:

The resort is located on 5.5 across of bounds. There is a sitcom road for vehicles and pedestrian traffic on the outskirts of the resort boarder

There are paved pathways through the resort grounds and to access the villas. Some have steep inclines. You can request to be in a villa that has access to flatter pathways.

Pool:

- There is no wheelchair access to the pool
- There is a hand rail to gain access to the pool
- There is a child wading pool that is 60 cm deep
