## 1. Ceremony and photography opportunity

We hold ceremonies on our large lawn area in our tranquil garden grounds at the resort. This space can seat up to 80 people (Conditions Apply). There is room for a quartet although the natural music that the wildlife in the resort creates also works well. After the ceremony the opportunity to take advantage of the beautiful gardens for photos is also available. Plus, the beach is just a two-minute walk away. The cost for the use of the grounds is \$200.00. To hire chairs the cost is \$60.00 per 20 chairs (uncovered). You will need to organize your own celebrant, music & decorations for your ceremony.

## 2. Reception

Our function room is versatile in the differing options to hold a wedding reception. The maximum seating is 50 for a sit-down dinner, 50 for a buffet option and 70 for a cocktail reception. The cost for holding your reception with us is \$450.00. This includes advice and help from our Wedding Co-Ordinator, tables and chairs, linen for tables, tea & coffee station, and cutting & plating of the wedding cake for guests and use of our blue tooth speaker if required.

## 3. Pre-Reception Drinks by the Pond

Our pond and creek that runs through the resort provides a beautiful backdrop for your guests between the ceremony and reception with sitting and standing room for around 40 people. There is a platter menu with a great array of selections as well as beverage services with wait staff. The cost for having a serviced pre-reception drink by the pond would be \$100.00.
